Dear Friends,

It would be our pleasure if you would join us for the first tastes of the new DiStefano **2000 Merlot**, **2000 Sogno** (Cabernet Franc), **2000 Meritage** (Cabernet Franc, Cabernet and Merlot) and **2002 Rose of Cabernet Franc** at the **Spring Wine Release Open House**. Come celebrate with us on **Saturday or Sunday, March 29th & 30th**, at our winery in Woodinville, between the hours of **11:00a.m and 5:00pm**.

As we move into our 2003 release of wines, we wanted to highlight the incredible year we had in 2002. We received more critical acclaim than ever before! Four of the 1999 reds received a scores of 90 points or higher and the 2000 Sauvignon Blanc received 87 points from **Wine Spectator**.

The new wines introduced in 2002 were all successful, and none more so than the inaugural release of Meritage. This wine was showered with medals and favorable press - from taking a Double Gold in the San Francisco International Wine competition, being selected as the Wine of the Week in the **Seattle Post Intelligencer** to being chosen as one of the "**20 Greatest Choices of Wine Under \$20 in the World**" by Paul Pacult in Delta's in-flight magazine, **Sky Magazine**

2002 also marked the debut of our premium proprietary wine, Ottimo (91 pts - **Wine Spectator**) and our first ever Syrah, which sold out instantly. The new vintage of wines, coupled with the recent release of our 1999 Cabernet (91 pts - **Wine Spectator**) should make 2003 as exciting as 2002.

To purchase DiStefano Wines, please fill out the 2002 release order form on the following page. We look forward to hearing from you.

Thanks to all of you for contributing to our success,

Mark Newton

Be sure to look for us on April 6th at Taste Washington!
