April 2, 2002

Hello Friends,

Greetings from Eaton Hill Winery.

Gary Rogers, Winemaker, has chosen the Cabernet Sauvignon, the oaked Semillon and the really tasty blend of Gewurztraminer and Muscat Canelli, "Gewurztraneli" for the Barrel Tastes this month:

Pre-Barrel Taste (many wineries) April 20, 21

Barrel Taste (all Yakima Valley wineries) April 26, 27, 28

If you haven't tasted our 2001 bottlings, you'll enjoy the variety and fun. The 2000 Cabernet Franc won a Bronze Medal in the international Monterey Wine Competition last month.

We are welcoming Gary's brother, Steve Rogers, as Assistant Winemaker. Steve is now an important part of our ongoing operation, as Gary and Arlene will spend part of the next year improving their property in Northern California. Gary is still our winemaker, and you will find them here often.

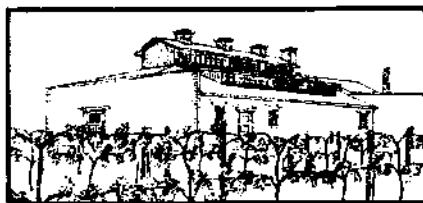

We'll be bottling the 2001 wines on May 13-14, for release in the late summer. Don't miss these new offerings when you are in the Wine Country later this year. In addition to the Barrel Taste wines, we have a luscious blend named Autumn Red, a cold ferment Semillon, a very nice Riesling, the famous Orange Muscat, a small amount of Gary's Port-Style Cabernet that you love, and a blend of white wine and Bisbee apples we call "Sweet Bisbee" that we know you will enjoy.

Thanks for your continuing support and we will see you soon.
